

Long-Lasting Freshness

FRAGRANCE BOOSTERS & URINAL BLOCKS

When customers detect unpleasant odors in your restrooms, they may hesitate to use your services. To ensure a pleasant experience, consider using fragrance boosters from Safe-T-Fresh. With minimal effort and cost, you can significantly enhance your image and maintain customer satisfaction.

MASKS ODORS

NON-PARA URINAL BLOCKS

These fragrant blocks are completely safe and highly effective at masking urine odors. Unlike Para blocks, Non-Para blocks are approved for use in all fifty states within the US.

MASK STRONG ODORS

PARA URINAL BLOCKS

Para blocks effectively mask urine odor through a scientific process known as sublimation. Utilizing urinal blocks is an excellent way to impress customers and end-users with the cleanliness of your restrooms.
