## 30' COMMAND CENTER

Satellite Suites' 30' Multi-Purpose Command Center is designed to be the base of operations for any busy camp or work site. The mobile unit features a roomy 13' slide-out that contains five workstations with charging and connectivity, sleeping for up to 5, a full bath with a large shower, refrigerator, microwave, couch, and a 50" TV/monitor.

The Satellite Suites Command Center is an all-in-one solution for businesses that require a flexible and mobile workspace. It offers a safe and comfortable place for your crew to work, sleep, eat, and relax, regardless of where your site is located. With the Command Center, you no longer have to struggle to find a hotel for your crew in remote locations like man camps, outdoor concerts, oil fields, or film sites. This practical solution is ideal for companies seeking efficiency and security, especially for natural disaster clean-up efforts and construction sites.
