

BIG TANK, LIGHTWEIGHT CHASSIS

SINGLE AXLE

2000-GALLON WASTE TO 2500-GALLON WASTE

Satellite Vacuum Trucks offers a diverse range of high-quality single-axle vacuum trucks that are both cost-effective and exempt from the extra FET tax required for trucks over 33,001 lbs. These highly maneuverable trucks feature tanks ranging from 2,000 to 2,500 gallons and are available in aluminum, stainless steel, and steel. Designed for versatility, Satellite Vacuum Trucks are built to excel in any field that requires reliable vacuum truck services.
