MODULAR DESIGN

Satellite's Sanitrax Urinal is a standout solution, operational on both sides and equipped with advanced water-saving smart-flushing technology. This system discreetly collects urine in a hidden reservoir and ensures cleanliness by regularly flushing fresh water through the troughs.

The urinals feature built-in LED lighting, a luxurious finish, and an eye-catching design. For added privacy, optional sheets are available to enhance user confidentiality. These combined features make Satellite's Sanitrax Urinal the most comprehensive and impressive option on the market.
